Our Services and Impacts

Like organisations across the world, your Guild of Students continued to face many challenges over the past year due to COVID-19. From our planned activity often changing at very short notice, to another lockdown which meant large periods of time when staff were all working from home, circumstances have meant constantly changing and developing new and exciting ways to engage students against a backdrop of online fatigue and digital overload for our members.

Despite all this, our determined and resilient staff and Officer team have risen to the challenge and kept going to ensure we remained focussed in our objectives, motivated to provide the very best service to our members and stakeholders, and that we never stopped providing the best possible service to our students.

2020-21 was the third year of our current strategy and our Impact Report outlines our last year of work, what went well, what didn't quite go to plan, what we need to learn from, and most importantly, how we can make the next academic year bigger and better.

This Impact Report is split into our five strategic aims:

- Engagement & Participation
- Communication & Branding
- Academic & Learning Experience
- Representing the Student Voice
- Mental Health & Financial Assistance

As we build back from COVID, we are looking ahead to the development of our next Strategic Plan (2021-2024) and new ways we can respond to the changing landscape of higher education and the needs of our members. The role of our Trustee Board is key to the development of a sound and deliverable strategy to make sure we provide the best possible student experience.

How the Guild of Students works

The Guild is led by elected officers, staff and volunteers. Students help run the Guild and are at the heart of our work.

The Trustee Board

The Board oversees the Guild. Comprised of sabbatical, external and student trustees with a wealth of experience, the Board ensures the good governance of the Guild. Its role is to ensure the Guild is legally, reputationally and financially viable.

Guild Officers

Every year, students elect officers to represent them and lead the Guild. Each officer looks after a different area of University life and it's their job to represent student views and improve the student experience at Birmingham. There are 7 full-time and 7 part-time Officers.

Staff

Our staff team, which includes 70+ core staff and more than 350 students working part-time, supports the Officer Team to achieve the Guild's plans. They also manage the Guild's departments and services.

Volunteers

Many students volunteer their time in different ways to support the work of the Guild – from student representatives and society committees to our mentoring and buddying schemes.
