Written Statement action plan

This section is for you to track your progress on your written statement priorities, as outlined in your action plan. The "context" section of the document can remain the same for each panel.

Written Statement Item #1	
Equality	
Context:	**The same access for everyone**
Progress:	**After some discussion, we decided that instead of planning another employability event similar to the one in November, it would be better to just direct students towards initiatives such as the Impact Challenge that Careers Network already has organized.**

Written Statement Item #2

Inclusivity	
Context:	**Reducing feelings of exclusion and evaluating barriers to participation**
Progress:	**The Ethnically Empowered Student Network was successfully launched and we are looking to get some alumni involvement, as well as plan for the future of the group.**

Written Statement Item #3	
Education	
Context:	**Awareness about different issues**
Progress:	**Work on the Black Voices campaign has really picked up thanks to contributions from Student Voice Assistants. Many panel events have taken place in the past few weeks, as well as the collaboration cookbook with the International Officer, with much more planned. The 'Be the Change' campaign preparation is also nearly complete. We hope to consult with student groups and add the final touches in the next couple of months.**

Role and responsibilities

This section is for you to write about any projects you have been working on or meetings you have been to that you think are of particular importance to your remit.

Meeting / project	Outcome for students
Black Voices	**The steering group, with the help of Student Voice staff, will reach out to academics and student groups to put on events (such as lectures and socials) that will engage the UoB community.**
No Space for Hate	**The workshop draft is almost done, we plan to get feedback from student groups this month and finalize things hopefully for June.**

Ideas and policy

This section is for you to report on progress made to ideas and Guild policy that you have been mandated to work on. You only need to update your actions taken. You can also add ideas or policy as they are passed through the year.

Idea / policy	Action taken since last Panel
Idea / policy title	Short update on progress since last Scrutiny Panel
